REPORT ON SABBATH SCHOOLS.

The work of the Sabbath School is prospering. We are glad, dear brethren, to say that the work is glowing in Western North Carolina.

The Sabbath School is, as it were, the storehouse of knowledge; the young mind is made to comprehend the word of God, and the aged are more confirmed in the promises of God. Will pastors, deacons, and all members of the church do all they can to promote a good Sabbath School? We have formed a Sabbath School Convention in order that our Baptist Sunday Schools may be supplied with the proper books, tracts and papers. Said Convention meets annually. It will meet at Washington church on Thursday before 3d Sunday in August, 1883, at Buffalo Paper Mill Post Office, N. C. We also say that Rev. D. W. Montgomery, at Stanley's Creek, N. C., is our Sunday School supply agent. He will furnish all school supplies that is not contaminated with Pedoism. The American Baptist Publication Society is the source of our supplies.

J. MEANS,
E. OSBORNE,
Committee.

REPORT ON TEMPERANCE.

We recommend temperance because the Scripture denounces intemperance. We beg the pastor and deacons to fight against intemperance, against the whiskey shops and bar rooms. "Wine is a mocker," &c. Abstain from every appearance of evil.

A. B. RANKIN,
I. MCAFEE,
R. KIRKPATRICK,
Committee.

REPORT ON PERIODICALS.

We recommend all Christians to use some religious papers. We recommend all Sabbath Schools to get their supplies that are published by the American Baptist Publication Society. We also recommend to christian families the *Carolina Enterprise*, *African Expositor*, BIBLICAL RECORDER, &c.

Left home on the first day of January, 1882: traveled 1,936 miles; preached 100 sermons, made 78 lectures, prayer meetings held 9, families visited 213, persons baptized 1, churches constituted 2, Sunday Schools organized 8, Sunday School addresses 25, visited Associations 4, Sunday School Conventions 1, letters written 25, circulars distributed 200, money collected in all $89.32.

Bro. Beam has affected a union between this Union and the Western Convention, which will be a great help to the Baptists in Western North Carolina.

REPORT ON EDUCATION.

We can only ask this Union to be pleased to look a little more carefully to the educational necessity of our ministers. We believe that our christian progress is much retarded through the deficiency of the ministers. The Shaw University is the institution that we recommend to all people desiring education. Fathers, send your boys and girls to Shaw University. Let the truth grow in them. We hope the long prayed for time will soon come when we can have a college in Western North Carolina. Ministers, go and prepare yourselves, that you may be able to "preach the word."

Committee.

A LETTER FROM REV. A. JONES.

LINCOLNTON, N. C., Sept. 29th, 1882.

Dear Brethren: I am sorry to say that it is out of my power to meet with you this session, but I have a revival here and cannot leave, therefore I ask you to please pardon me. I should like to be with you all, but here are men crying for mercy and I feel it my duty to help them. You have my prayers. The Lord is blessing us here. The work is prospering here. Yours in Christ,

ALFRED JONES.

PROGRESS OF THE WORK.

BY REV. A. ELLIS.

It has been about six years ago since this body met in Charlotte, N. C., to take in consideration the Western part of this State, the meeting having been previously called by Elder E. Eagles, of Charlotte, in response to the call of two or three Associations of the west, including Rev. Cæsar Johnson, of Raleigh. It was agreed to organize what is known as the "Western Baptist Missionary Union." Since that time we have been able to keep a Missionary on the field. This year our Missionary has been able to travel as far west as Transylvania county; has organized two churches, and has two or three others ready to organize, eight or nine Sabbath Schools, and gave a great many lectures. The Rev. M. Beam, our Missionary, has traveled over two thousand miles, and has done a great deal in awakening our people to a missionary duty. We hope that our State Convention will ever help us to evangelize Western North Carolina. We are not antagonistic, but we want one Baptist stream to flow through North Carolina from the Atlantic coast to the Tennessee line. The work of missions are being aroused in our churches.

"O watch and fight and pray,
The battle ne'er give o'er,
But renew it every day,
And help divine implore."

I now appeal to ministers all over the State. Let us work like good

husbandmen, and push the wheel of Zion on, all working to the upbuilding of the Redeemer's kingdom, and organizing Baptist churches every where until we spot he mountains with Baptist churches.

"Together let us sweetly live,
Together let us die,
And each a starry crown receive,
And reign above the sky."

ALEX. ELLIS,
President.

READ THIS CIRCULAR LETTER.

Dear Brethren: You see from these minutes that our work is prospering. Our Missionary has done and is doing a great work. Deacons, please don't sit so still when you know how you have to get your missionary money, to plant churches and build up western North Carolina. We only ask ten cents a member for missions. Any sister or brother can get that in one year surely. Call for public collections. Sometimes the worldly people give more than professors of religion. There are some preachers and some deacons who don't like mission work. O how can such people look at the gospel? Are they christians? They would rather spend their ten cents for tobacco and snuff. If you will buy your snuff and tobacco, don't forget the Lord. Will a man rob God? Where

is the deacon who has not christian piety enough to care for the perishing millions? Deacons, why don't you call the brethren and sisters of your church together and consult about finishing your church, and ask them about their ten cents for the Union? Many a good brother or sister is only waiting for you to tell them what you want them to pay. Some deacons forget about the money and don't try to get the money until time to elect their delegates. Brethren, begin now. Look at the statistical table before you write your next letter to the Union, and give all the statistics that is required on that table.

We hope that churches will send more money for minutes, that we may be able to have better minutes and more of them printed.

D. W. MONTGOMERY, *Clerk.*
